## THE PRESIDENTIAL STATE OF THE ORGANIZATION ADDRESS

**Wow.** It's the only word that I can think of that both sums up Season 18 and forecasts an unbelievable, upcoming Season 19 for the ACO Family.

This season we dug deeper than ever into our partnership with **Scoreholio** to help run more efficient tournaments, create a better presentation for rankings, and generate more stats on players than ever before.

We partnered with **B3 Cornhole, CBC (Cornslingers Bag Company), and Gusto/1171** to continue to build on our broadcasting capabilities and brought more games to the **ACO Digital Network** than ever before.

Our relationship with **KIA Motors** continues to grow. We are also working on several other big sponsorship possibilities on the horizon.

We are working closely on our second annual event with Travel Dubuque and Go the Distance in Dyersville, IA at the **Field of Dreams Movie Site. The Beyond the Game Festival featuring the Corny Forty Classic and the \$25,000.00 Dream Team Invitational** is pro-

jected to bigger and better than ever this August, as the event now features a **celebrity pro challenge**, including MLB hall of famers Ricky Henderson, Dave Winfield, all-star Jose Con-seco and more to be announced as Hole Magazine goes to print.

In June 2023, the ACO launched the first ever **Gulf Coast Classic in Punta Gorda, FL** giving away over \$20,000.00 in prize money and kicked off what will clearly become a favorite event for ACO Players for years to come. The best news is we are already guaranteed to be back in Punta Gorda for June 2024 and 2025.

**ACO added 10 stops to our all-new Pro Series Tour;** a free-to-play event that pro players competed in **featuring \$25,000.00 in prize purse money** during Season 18. We are excited for some big changes coming to the Pro Series in Season 19 as the ACO is set to award a minimum of **\$50,000.00 in prize money and has created a new twist to professional and social cornhole, ACO SKINS CORNHOLE!!!**

In July 2023, Pittsburgh, PA hosted the **Nation-**

**al Senior Games** and the ACO (recognized by the NSGA as the governing body to the sport of cornhole) was there, once again, to run and oversee the cornhole events.

Year one of the **ACO Pitchin' Partners bag program** was a huge success, as the ACO saw more than 60 bag partners come on board with us in Season 18. Season 19 is shaping up to be even better as more bag companies are becoming engaged partners with the ACO as it will be a requirement that players pitch with only ACO stamped bags from the Season 19 approved list.

**Season 18 also featured a number of new locations for the ACO Majors** including: Pocatello, Idaho / Medford, Oregon / Watertown, South Dakota / Bryan, Texas / Hamilton, Ohio / Lake Charles, LA / Mobile, Alabama and Auburn-dale, Florida. We continue to create as many new opportunities for ACO Road Dogs as possible....and Season 19 won't be any different.

**Season 19 has added even more new locations to the ACO Majors Tour:** Buffalo, New York / Bangor, Maine / Atlantic City, New Jersey / Fresno, California / Clarksville, Tennessee / Dalton, Georgia / Shreveport, Louisiana / Rapid City, South Dakota / Toledo, Ohio – and, as always, season to season favorites return to the ACO Major schedule

Ok all you Hole Headz, I've left this last kernel of cool news for the end of my address. **The ACO is adding a brand-new event to our tour called a Super Major in Season 19, to be held January 4, 5 & 6, 2024 in Owensboro, KY.** This is a three-day event that will fea-

ture a **guaranteed \$30,000.00 minimum prize purse**, with \$10,000.00 going towards the Pro Series, and \$20,000.00 being paid out for the Major. The event will be spread out over three days, Thursday, Friday and Saturday, instead of the traditional two-day event Friday and Saturday. Though not worth extra points, it will be worth extra cash and celebrated with that extra day.

As you can see by what you've read, the ACO continues to fulfill its mission **to create top-tier competition and experiences for the ACO Family and cornhole players worldwide**, all while growing the game and the sport for all. Season 19 will be our biggest yet. How fun is that?!

As we wrap up Season 18 and look enthusiastically toward Season 19's September start, my invitation to you remains the same:

**BRING IT!!!**

## HOW TO PLAY CORNHOLE

When you're ready for the next level, view the complete ACO Rules Guide for the Sport of Cornhole at [AmericanCornhole.com](https://www.AmericanCornhole.com). Below are the ACO Basic Rules for the Game of Cornhole and can be used to get the backyard fun started.

### WHAT EQUIPMENT DO YOU NEED?

- 2 CORNHOLE BOARDS:** Approximately 24" x 48" with a 6" diameter hole, centered 9" from top of board and centered 12" from each side edge. The front of the board is 3" to 4" from the ground to the top of the playing surface. The back of the board is 12" from the ground to the top of the playing surface.
- 8 BAGS:** 4 each of two different colors. Each bag is made from two fabric squares with double stitched seaming. The bags should be made from a durable fabric like canvas, twill, or synthetic suede. Each bag measures roughly 6" by 6" and weighs between 15 and 16 ounces.

### HOW DO YOU SET UP THE COURT?

- CORNHOLE BOARDS:** Boards are positioned 27' from the front edge to the front edge of the board.
- CORNHOLE PITCHER'S BOX:** A designated pitcher's box is a 4' x 3' area at each end of the court and on each side of each board.
- CORNHOLE FOUL LINES:** The front edge of the cornhole board is the foul line.

### HOW DO YOU KEEP SCORE?

- TRADITIONAL 21:** The game shall be played to the pre-determined number of 21 points. The first player/team to reach or exceed that amount at the conclusion of a frame is the winner.
- VALUES:** A pitched bag that remains on the cornhole board playing surface at the conclusion of the frame is a 'woody', worth 1 point. A pitched bag that passes through the cornhole board hole at any time in a frame is a 'cornhole' and is worth 3 points.
- FOUL BAGS:** Refers to any cornhole bag that has not been determined as a 'woody' or a 'cornhole', or was designated a foul bag due to a rules violation. Bags contacting the ground prior to reaching the playing surface and bags pitched when a player has crossed the foul line are foul bags. If a foul bag lands on the playing surface or comes to rest touching the ground and the board, it must be removed immediately.
- FAULTS:** A fault occurs if a player puts his or her foot over the foul line front edge of the board during the throw, or if a player throws out of turn. A fault results in the bag from the faulted throw being removed from the playing surface, if applicable.
- CANCELLATION SCORING:** The approved method of scoring for the sport of cornhole is cancellation scoring. In cancellation scoring, the points of one player cancel out their opponent. Using this method, only one player/team can score in each frame. Example: Team Red achieves 1 woody (worth 1 total point) and 2 cornholes (worth 3 points each, 6 total points). Team Blue achieves 2 woodies (worth 1 point each, 2 total points) and 1 cornhole (worth 3 total points). This means that Team Red scored 7 total points in that frame, and Team Blue scored 5 total points, which nets Team Red 2 points for that frame (7 - 5 = 2).

### PLAY OF THE GAME:

- SINGLES PLAY:** Player A will compete against Player B. These players will both stay in their designated lane for the whole game. Players start the game at the headboard and will alternate pitching bags until each player has pitched all 4 of his or her bags. Players will then walk to the end of their lane to the other board, and resume pitching back towards the original board.
- DOUBLES PLAY:** Team A will compete against Team B – each team is comprised of 2 people. Each team will stay in their designated lane for the whole game. Players at the headboard will alternate pitching bags until each player has pitched all 4 of his or her bags. Players at the footboard will then resume pitching back towards the headboard.
- PITCHING:** Players alternate pitching bags (one player at a time) until each player has pitched all 4 of his or her bags. A player must pitch all 4 cornhole bags from their designated cornhole pitcher's box. One foot must be completely within the pitcher's box at the time of release of the bag. Players must not cross the foul line with their feet before the bag has landed.
- PITCHING THE NEXT FRAME:** The player/team who scored last shall pitch first in the next frame. If neither player/team scores in a frame, the player/team who pitched first in the preceding frame shall retain first pitch in the next frame.

**RAKING CORNHOLE BAGS:** If bags become piled inside the cornhole board hole and may interfere with or obstruct the next pitch, or if there is a question whether a bag would've fallen through the hole naturally, a player may request to 'rake' the cornhole bags that have fallen inside the hole. During raking, all efforts should be made to leave bags on the playing surface undisturbed, including any 'lippers' that may fall in unnaturally during the raking process. If a bag is resting on the raked bags, and unavoidably falls in the hole as a result of raking, it shall be counted as a cornhole.

### TALK THE TALK

- FRAME:** A frame consist of a player pitching his or her four bags from one board to another. Players must pitch all four bags from the same side of the board in frame.
- PITCHER'S BOX:** The area from which a player throws their bag.
- WOODY:** A pitched bag that remains on the cornhole board at the end of a frame, worth 1 point.
- CORNHOLE:** A pitched bag that passes through the cornhole board hole at any time within a frame, worth 3 points.
- FOUL BAG:** Any cornhole bag that is not a woody or a cornhole, or has been designated a foul bag as a result of a rules violation. Foul bags touching the board and the ground must be removed from the playing surface immediately.
- AIRMAIL:** A pitched bag that goes directly into the hole without touching the board surface.
- LIPPER:** A woody that is hanging on the lip of the hole and ready to drop in.
- SLICK WOODY:** A pitched bag that slides up the board into the hole.

IT A PROFESSIONAL SPORT?

### Skins game

[Article](#) [Talk](#)

From Wikipedia, the free encyclopedia

*Not to be confused with [Shirts versus skins](#).*

A skins game is a type of scoring for various sports. In golf, a skins event has players compete for prize money on each individual hole. It has its origins in golf but has been adapted for disc golf, curling and bowling.

...AND NOW IT'S BEEN ADAPTED FOR CORNHOLE.

HERE'S HOW TO PLAY SKINS CORNHOLE:

GAME SETUP

Each Cornhole Game is worth a total of 13 Skins.  
Each Frame of a Game (player throwing their 4 bags down the court) = 1 Skin.

SCORING

A player earns 1 Skin by outscoring their opponent during the Frame (using standard cornhole scoring).  
If players tie their score in a Frame, then the Skin rolls over and is added to the next Frame.

PUT SOME SKIN IN THE GAME

Each Skin is set to a mutually agreed upon \$\$\$ dollar value (or other prize, such as a beer) per Frame.

HOW TO WIN

The first player to win 7 Skins also wins their opponent's Skins, and the Game is over. The loser pays the winner the \$\$\$ dollar value (or prize) x the number of Skins won.  
Note that the winner could potentially earn anywhere from 7 to 13 Skins total in the Game.

STRATEGY

It's of the best interest for the player who thinks they can win to let their opponent win as many Skins as possible without actually getting to 7 Skins. That way, the winner (who does ultimately win 7 Skins) can also claim their opponent's Skins, thereby winning more money at the end of the Game.

### WHY IS SKINS A FUN WAY TO PLAY CORNHOLE?

Both players get a chance to win dough as you go!  
It lessens the point spread, giving the underdog a chance to make a comeback.  
This results in more aggressive shots and risky plays.  
Both players can walk away with cash.

# PAR... FOR THE COURTS

Story by Michael 'Fin' Walter

Tom Collins and Matt from the Par Inn Pub

## ACO WELCOMES THE KING OF CORN(ISH) CORNHOLE!

If this year's ACO Worlds seems to have a little extra flavor, there's a good chance you will meet (or have met) the reason why. Over the years, international players from Germany, Australia, Canada and more have added a little extra spice to the party and this season's main course is no different. As the sport of cornhole continues to become a worldwide phenomenon, the ACO is proud to welcome players and new friends from (yes, it rolls right off the tongue) Cornwall, England.

The Cornish Cornhole Crew and its current champion, Tom Collins, have packed up their gear – and their preferred proprietor, Matt - from their home court at the Par Inn Pub, in Par, Cornwall and made the trek to friendly confines of the Owensboro Convention Center to join us for the full ACO Worlds experience...and a 'pitch' unlike anything they've ever experienced. You may have caught Tom and Matt spending some time with Fin and The Cornhole Dude on the TACO ... and now you have a chance to spend some time with them and their crew, in person ... They're powered by Tribute Cornish Pale Ale and anxious to see what's brewin' in the Bluegrass State. They're ready to pitch with, and against, all comers. Say hello, raise a pint, pitch a game together and enjoy the extra Corn(wall) flavor brought to you by Tribute and the Cornish Cornhole Club.

*Make yourselves at home and enjoy your time with the ACO Family!!*

CONGRATULATIONS TO THE ACO SEASON 18 COCHRAN IMPACT AWARD WINNER, SCOTT MELBY!

During the past two decades, there have been very few individuals who have reached more people with their dedication to the game and sport of Cornhole than Scott.

As the creator of Indy Custom Cornhole, one of the longest tenured ACO Certified Officials, and multi-year ACO Heartland Conference Commissioner, Scott has been the coordinator of hundreds, if not thousands, of social events, charity fundraisers, corporate outings, and ACO Regionals and Majors.

Scott's dedication and consistency has been the driving force of the ACO's foothold in the state of Indiana, and well beyond its borders.

# LET'S GIT' IT!

Story by Eric Hinerman

## IT STARTED LIKE IT HAS FOR SO MANY OTHERS:

A campground, friends, drinks, and a strange new game with a funny name. And for most people reading this, we know that this particular game has a way of setting a hook that often results in the first game turning into an all night session of laughs and smack talking.

## AND IN THAT ONE FATEFUL NIGHT, AS LEGEND GOES, THE GODFATHER OF CORNHOLE WAS BORN.

In the earliest days of the American Cornhole Organization, I had also been bitten by the Cornhole bug, and using a new resource called a "computer," I came across several videos of a local TV show called the "ACO King of Cornhole" that featured the best players in the World. The best part was that Matt Guy, Randy Atha, Mike Schaffer Sr. and others were from my city: Cincinnati, OH.

## BUT I ALSO CAME ACROSS A FEW VIDEOS OF ANOTHER CORNHOLE PLAYER WHO WAS WINNING TOURNAMENTS DOWN SOUTH:

*A wildcard; a guy from South Carolina who wore a headband and shades and beamed with confidence while he played. So, almost from the beginning, I also learned the name Ryan Labelle.*

It turns out that Ryan was also eyeing the bigger prize. After whipping everyone in SC, he reached out to the ACO to test himself against the best. To his shock, Ryan was almost immediately contacted by the man himself, President and Owner of the ACO, Frank Geers.

Soon, Ryan and his best mates, Keith Wilkins and Chris Bolton, were on a road trip to Cincinnati to meet Frank and begin an epic journey that is now closing in on two decades.

As a player, Ryan earned one of the first great honors of the ACO – An invitation to play in the 1st Annual Easter Seals Tailgate Bash on Fountain Square in Cincinnati, OH. This was reserved for only the 16 best players on the planet and had the biggest prize purse the Cornhole world had ever seen.

Around that time with Frank and the ACO, Ryan also learned that he had another deep interest. With his inborn organizational skills, attention to planning and details, masterful microphone direction, and a passion for Cornhole, Ryan knew that he could successfully bring the ACO to the Carolinas, so he became the first major ACO Certified Official.

Leftover from his youthful days of skateboarding and playing guitar in garage bands, Ryan brought a style all his own. Nothing about him suggests a stuffy event coordinator, but for the tens of thousands of happy cornhole players who have attended his tournaments, they know that he has it dialed-in to a point of perfection.

**RYAN QUICKLY ROSE TO BE THE PREMIER ACO CORPORATE TOURNAMENT DIRECTOR AND HAS HELPED TO PLAN AND COORDINATE ALL OF THE HIGHEST PROFILE CORNHOLE TOURNAMENTS IN HISTORY.**

Whether it comes to the hours of meticulously going over every format detail, or floor planning, or rules guidance, or any of the other hundreds of tasks required to coordinate a successful event or ACO Season, Ryan has brought invaluable experience and knowledge to the ACO.

He has been to hundreds of venues- Everywhere from Olympic Skating rinks in Wisconsin, to the beaches of the Carolinas, to the decks of US aircraft

carriers, and of course, to more than a dozen ACO World Championships of Cornhole.

He does this all while maintaining regular local tournaments and coordinating his hugely successful Labelle Burner Series of events and promoting his own brand of Burner Series Bags and apparel. Shout out to the Bags Brigade!

How does he do it all? How do you know that a tournament will start on time?

Well, If you want to know what discipline looks like, know that Ryan never missed a day of school and has never called off work...

Did you read that correctly?!

Yep, Ryan literally never missed a single day of school from the beginning of kindergarten until graduating from High School!

And he's got an award to prove it.

When he's not off running events, Ryan can be found lounging at his self-made backyard paradise resort, known to all as "The Shak."

With a full tiki bar and kitchen, clear warm pool, and painted palm trees, Ryan has created a personal vacation spot with his own two hands.

As the many local regulars and through-travelers will tell you, The Shak brings you right into Ryan's world- good friends and good drinks in a tropical setting, right in a suburban backyard.

And of course, the backbone and finishing touch of any paradise is a Solid Gold dancer with a smile and wit that brings a party anywhere she goes, Miss Dee Dee, Ryan's longtime love, supporter, and showstopper.

If you're lucky, he'll cook some of that delicious school cafeteria pizza that we all love (he knows where to get it in bulk), or some chicken fingers

with homemade Long John Silver's batter (he knows the recipe) :)

All in all, Ryan Labelle is a unique person, a rare individual who truly lives his best life. He works hard and is great at what he does. He plays hard and is even better at that. (And he's the best at finding doppelgangers!)

When asked why he does so much and has done it for so long, the answer is simple- he loves it. He loves the sport of Cornhole, the people, the atmosphere, and he especially loves to do his job well.

His loyalty and commitment make him a prized asset of the ACO and we're proud and lucky to have him as a core team member.

Most importantly, we are proud and lucky to have him as a friend.

Holla at your boy!

**SWING BY THE SHAK**

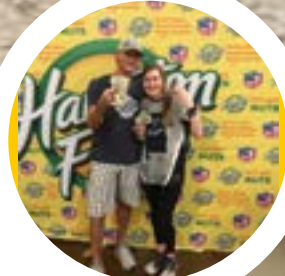

*As the host with the most, swing by The Shak on a sunny Saturday and Ryan will most certainly serve you a chilled Jager Bomb while you watch live-streamed ACO Cornhole on The Shak's big screen. Follow that up with a dip in the pool and a Mitch Hedberg comedy special or "The Search for Animal Chin." :)*

# A GAME OF CORNHOLE WITH A SIDE OF NUTS

**HAMPTON FARMS PEANUTS:  
SUPER FOOD - SUPER FUN!  
THE PERFECT FIT FOR THE ACO**

Story by Michael 'Fin' Walter

From season-long sampling to the all-new TACO Hampton Farms Shell Game (for which our TACO viewers went 0-6 in its first year) and everything in between (the Hampton Farms Big Blind Draw at every Major and The Big Blindfold Challenge at select Pro Series), Hampton Farms Peanuts have been everywhere you look (both on screen and off) the last few years as the official nut of the ACO (...and you thought that title went to Fergy). Ours is a partnership that celebrates FAMILY and community, bringing together both for a great time ... and great snacking.

Says Mikayla Pittman, Hampton Farms Marketing, Brand Manager: "Hampton Farms will always be a company that celebrates families and friends doing fun things together, and cornhole is a game that unites loved ones to have fun while working up an appetite! In-shell peanuts provide a factor that regular shelled nuts just don't have. So, with the fun that takes place at cornhole tournaments and the excitement of cracking open an in-shell, partnering

with the American Cornhole Organization has brought it all together for us! Cornhole is a game that can be played indoors or outdoors without ever a dull moment and the same goes for snacking on Hampton Farms peanuts!"

We couldn't agree more. Hampton Farms has been providing snacking superiority to the ACO Family for years (I mean, have you SEEN those sampling bags .... Just LOOK at the size and shape! ... a PERFECT fit!!) ... There's no time like the present to remind you that, thanks to Hampton Farms, it's ALWAYS time to GET NUTS ... and to Keep on Pitchin' ...

# NORTHERN LIGHTING IT UP IN SEASON 18

Story by Michael 'Fin' Walter

## ALASKA CORNHOLE'S CHANDLER JONES

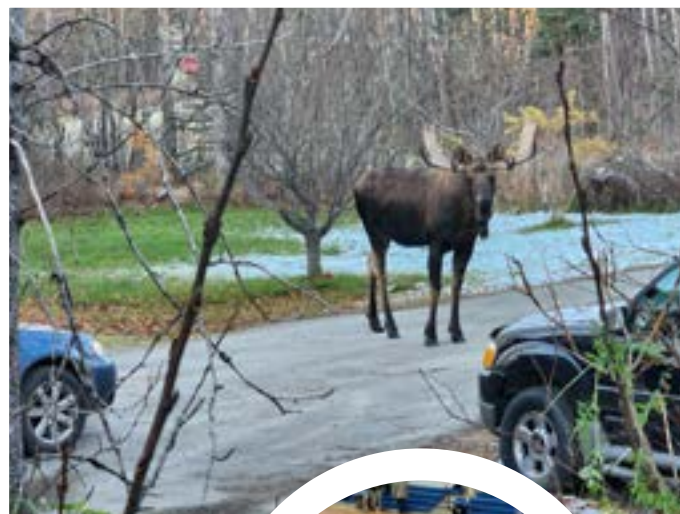

The land of three million lakes is now home to a brand new ACO Corny Forty Pro. His name is Chandler Jones, and his game has been coming along quite nicely over the last decade, thank you very much. He's packed a lot of livin' and a LOT of pitchin' into his 27 years. As the CO behind Wasilla's Alaska Cornhole (and mentor to Anchorage and Fairbanks ACO groups) Chandler was anxious to talk about where it all began...and how he got where he is today.

Born in Palmer, Alaska, Chandler now lives just east of Palmer in Wasilla ... Yes, THAT Wasilla. Wasilla, the home of one community gym was where he shot hoops alongside a Palin daughter (accompanied by her federal security detail)

during a Presidential Campaign. Were they Secret Service? I knew better than to ask.

His years before ACO Cornhole included basketball, football, and soccer; the latter scholarshiping him right through college waters at Southwestern Oregon. An MLS fan to this day, he called in 'sick' to trek to Seattle with his dad to watch his Sounders take the Champions League Final. His dedication to the sports he loves continues to this day; MLS, ACO and likely some other not-so-random letter combos. His love for cornhole and his dedication to the ACO began in Season 15 (after his quick visit to Google) ... Here we go:

Though his cornhole 'career' had begun years

earlier thanks to his grandfather and uncle trading in their horseshoes for homemade cornhole boards and bags (which became a bit of a family business for a hot minute), Chandler's evolution was waiting for him in the ACO:

'My first Major was Panama City Beach in Season 15 ... and I had no business being there, throwing my 7's. I looked around the room and knew I had a LOT of work to do. That was my only Season 15 ACO Major, but I DID make it to Worlds in Columbia that year.'

*He was ready to GO!*

**COVID and a new baby had other plans ...  
'Season 16 ... Please hold'**

Hello, this is ACO Season 17...Thanks for holding. Hello THREE Majors and a July full of Branson, Missouri Worlds. The pump was primed (perhaps aided by a tug from KING 16's tumbler) and his eyes and goals were focused on Top 80 ACO Pro status in Season 18. Frequent flier miles piled up on the way to Ontario, Pocatello, Vegas, Beloit and Mesquite... and just before Mesquite he realized he was sitting 44th. After a masterful Mesquite, and with his first Purple Jersey in hand for a World Doubles win with Dan "Double D" Deisher, he found himself INSIDE the Corny 40....and there he sits today; a Field of Dreams come true.

Chandler, a corrections officer by Alaskan daylight (all 23 hours of it as this goes to press), like many, has developed a creative array of financing options for his sport and his travel. From sponsor dollars and fundraising raffles to selective use of his 'off weeks', Jones continues to drop down to the Lower 48 for his pitch-perfect passion. This season has delivered his most memorable win (the Mesquite Doubles Championship that required he and Dan to avenge

an earlier loss to the 'trouble twins', Ferguson and Armstrong, only to THEN double dip the Kim Dice and Chad Jackson juggernaut). It ALSO delivered his harshest loss; a 21-20 Mesquite World Singles loss to Kim Dice (remember her from the sentence before this one?). What a way to work your way into the Corny 40. Well played, Chandler...well played.

### CHANDLER JONES / ALASKA CORNHOLE FUN FACTS:

*He doesn't live in an igloo*

*He CAN see the Northern Lights from his front porch*

*He has been within arm's length from a bear AND a moose. One will happily stomp you to death ... the other, is a bear.*

*Fishing without a boat is what he calls 'combat fishing' ... it's you vs. the aforementioned bears*

*It's a 10-hour drive from his house to the Canadian border and a three-day drive to Oregon so you 'pretty much have to fly anywhere you want to go'*

*He may still be in search of an ACO Stamped Bag partner as you read this. Wink, wink, nudge, nudge.*

## THE (R)EVOLUTION WILL BE TELEVISED

Story by Michael 'Fin' Walter

**(AFTER AROUND 100 AUDIO-ONLY EPISODES, THAT IS)**

It all began, simply enough, back in .... um ... well ... I'll get back to you on that ... All I know is that the universe's longest running Corn-Cast, the ACO TACO, started in 2015, sometime before Season 11's first bag was pitched ... How do I know this? I was there ...

I was there, sitting in a room with Frank Geers, The Cornhole Dude, with a couple mics (did we have two or share one like Paul and Ace?; I don't recall), facing the corner of a room that was either very hot or very cold. We were there to Talk American Cornhole Organization ... and we did. The T-A-C-O was audio only in its humble beginnings, with guests joining the 'show' over the speaker phone

and topics that ranged from Matt Guy to... Matt Guy...

Eventually we moved on to other topics... like Bret Guy... and other things that were ACO-centric. We talked about COs, and how and why to become one, ACO and cornhole history, current and past player spotlights, Major results, Worlds details, events and more. With episode names like The TACO Does Dallas, Ryan Labelle is Awesome, CaliCornication – West Coastin' to Pleasanton, What Happens in Vegas (...is Thanks to THIS Guy! Damon Cochran), Kentucky State Championships aka The Blair Pitch Project, Virginia is For Cornhole Lovers – Like Tammy n Junior Williams, You Stay Classy

San Diego w/CO William Howell, The Choose Your Weapon Program and so many more we covered it all ... and it uncovered plenty!

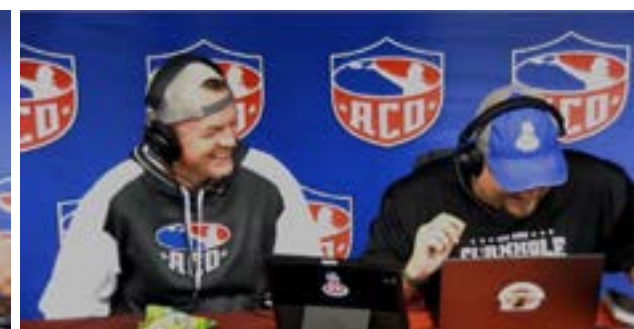

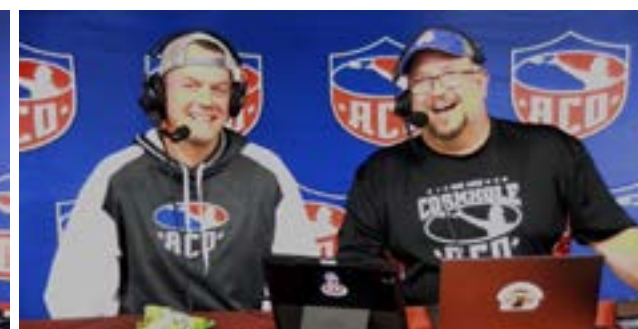

Eventually we graduated from the 'corner office' to the upstairs 'suite' for our first shots at taking the TACO to the tube. It was a luxurious space complete with green screen. I think we used that once. Hinerman had put together a package and a program that would ultimately resemble the 'evolution of man/cornhole player' graphic we all know and love; knowing that no matter how erect we became, we would ALWAYS hunch back over...to get to the cooler that was never far away. The space and the move to video served us well. You could now actually see how

from around the country and time spent with Tom Collins and the Par Inn pitchers from Cornwall, England. From ACO Bag Partners to BIGTIME events like The Go the Distance Festival at the Field of Dreams Movie Site and the National Senior Games, the TACO covers and uncovers it all ...

Speaking (well, writing) of 'uncovering' ...

I believe I am correct in my belief that our favorite segment of the TACO, as it continues to evolve, is the new acoB4; our chance to show and tell the cornhole community and the ACO Family what YOU were doing before cornhole (and the ACO) crept into your life and laid its deep, deep roots within you. Keep those pics and descripts coming at [taco@americancornhole.com](mailto:taco@americancornhole.com) ... mmmkay? Got a cornhole related topic you'd like us

much fun we were having talking about how much fun you were having. Plus, Fin got to start doing his dumb promos. (Hey, look at me, writing about myself in the third person) ...

Flash forward to the TACO 10.0; new digs in a new HQ, sweet graphics, the ability to italicize fonts and, via the wizardry of Oz behind the scenes, the ability to have guests join us from all over the country and the world. The TACO (r)evolution welcomed video segments from Rich Pyle and Hole Nation, Time to Phil (featuring the ever-sharpening prognostications skills of one Mississippi Ninja, Phillip Barnett), the ever-so-random episode of the Boogie Buzz, LIVE chat with event partners

to uncork? Drop that into us in an email, too.

Together, we've virtually consumed more corn than every still in Tennessee and there's no chance we're going to slow down. The invitation stands, every TACO Tuesday ... Join us, crack a cold one (leaded or unleaded) and let's celebrate the game that lets us celebrate each other ... We'll be Talkin' ACO ... for you, and with you ...for as long as you'll invite us into your homes.

*Cheers,*

# KEEP BUILDING IT... AND THEY WILL KEEP COMING.

**TWO CORNHOLE TOURNAMENTS.  
ONE GREAT WEEKEND. FEATURING  
MLB HALL-OF-FAME CELEBRITIES!**

The 2022 Inaugural ACO Go the Distance Festival at the Field of Dreams Movie Site in Dyersville, Iowa was, in a word, magical. The chance to come together on this historic site, play the game we love at the highest level and be surrounded by the most famous cornfields on the planet – and the spirits that live within them – was as unique an experience as there has ever been for the ACO Family, friends, and fans. How could it get any better?

*WAIT 50 WEEKS...AND DO IT AGAIN;  
THIS TIME INCLUDING MAJOR  
LEAGUE BASEBALL HALL OF FAMERS  
AND CELEBRITY LEGENDS FROM  
THE GAME...AND BEYOND.*

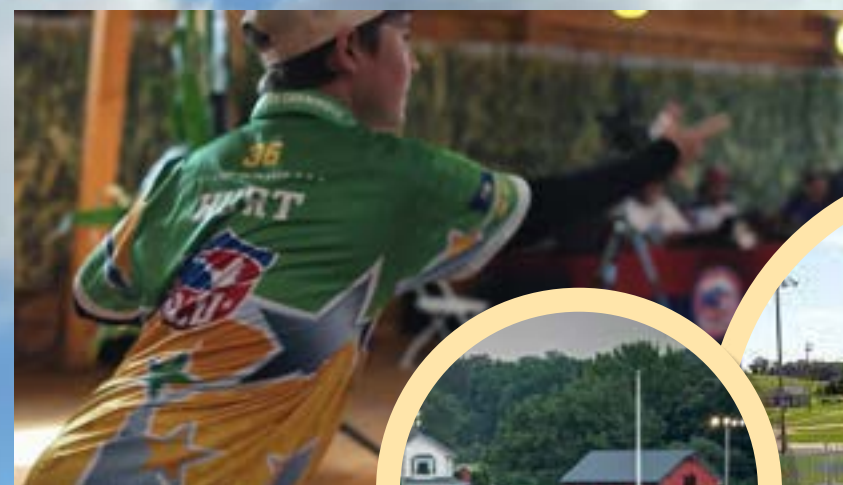

This August, the Field of Dreams Movie Site will once again host the ACO Go the Distance Festival as part of a Beyond the Game weekend designed to put baseball's best less than a Louisville Slugger away from their biggest fans. Not only will fans get to share the surreal surroundings with their heroes who will be slugging and signing their way through the weekend; their heroes will get the chance to take their 'game' to the next level – their cornhole game, that is.

Added to the ACO Corny Forty Classic and ACO Dream Team Invitational will be a very special ACO Pro-Am tournament pairing ACO Pros with MLB legends in exhibition cornhole play ... on the most magical baseball diamond on earth. Ricky Henderson, Dave Winfield, Vince Coleman, and Jose Canseco are just a few of the names that will be drawn to the event, with more to be announced as we get closer to the Beyond the Game weekend.

As the Field of Dreams Movie Site continues to evolve to celebrate our national pastime in every possible way, while preserving its extraordinary spirit of purpose, the ACO is honored to be a valued partner with such a special place. As always, all are invited to be witness to what makes this field, this house, this barn, these cornfields, and this

event, such a magnetic destination. The ACO Go the Distance Festival, driven by Finnin KIA, and the Beyond the Game Weekend, sponsored by Travel Dubuque, at the Field of Dreams Movie Site continue building. Will you come? We hope to see you, August 11-13. All of the details are waiting for you at [beyondthegameiowa.com](https://beyondthegameiowa.com).

## ADAPTATION

Story by Michelle Kearns

## AND NOW CORNHOLE.

As the bag toss game named for the corn once used within its bags attracts players with its ease and competitive challenges, the sport of cornhole has adapted to reflect its thousands of fans. **Its reach now includes a new Buffalo tournament for players with disabilities – September 14-16 at the city’s RiverWorks waterfront sporting venue.**

*THIS WILL BE THE FIRST TIME THAT THE AMERICAN CORNHOLE ORGANIZATION WILL HAVE A WHEELCHAIR DIVISION OF CORNHOLE.*

*“We’d love to have as many people as possible come out and do it,” said Norm Page, president of Greater Buffalo Adaptive Sports, a foundation serving 100 area athletes with disabilities. “It’s a natural for us.*

*We’re always looking for something for our athletes to do, no matter their disability.”*

It serves about 100 area athletes with disabilities and organizes events and athletic forums for hockey, lacrosse, football, tennis, curling...and now, cornhole. About a quarter of its players are under 18, and Page has been working to encourage more young people to join the programming. He hopes cornhole will help draw in more players.

*“It’s so easy to do,” said Page. “We love the ease of cornhole and being able to play anywhere anytime.”*

Page, his wife Sandy and son Adam, an athlete with spina bifida and paralysis below both knees, founded the foundation in 2015. At first, they focused on sled hockey, a version of hockey, which replaces skates with seated sleds. **ADAM PAGE, NOW 31, IS A THREE-TIME SLED HOCKEY GOLD MEDALIST IN THE PARALYMPIC GAMES.**

As the Pages developed the foundation, they expanded to include more sports. *“We’ve certainly realized that not all athletes can or would like to play sled hockey,” said Page. “Seeing the growth of adaptive sports in Western New York is very exciting. The bottom line is that we’re excited to see that athletes with disabilities can play just about any sport and do anything that they would like to.”*

For Frank Geers, CEO of the American Cornhole Organization, the new Buffalo tournament, and connection to adaptive sports is a welcome addition to the continuing evolution of cornhole.

Geers, aka the Cornhole Dude, founded his organization in 2005 and the original concept was to sell branded cornhole boards and bags to help businesses market themselves. Within six months of making the new bags, Geers became convinced that cornhole could become more than a backyard sport. He began working to build standardized equipment,

including bags with a different kind of fabric on each side – a slicker, faster side and a stickier, slower side.

The sport has been developing ever since. This year’s ACO World Championships of Cornhole 18 is expected to draw 700 to 800 competitors from more than 30 states and several countries. The season starts in September and continues through May, with the ACO World Championships held the final week in July, and divisions including singles, doubles, women, seniors, juniors and coed for players.

*“I’ve always believed that cornhole was and is going to grow into the world’s most recognized game-slash-sport,” said Geers. “You don’t normally see 80-year-old people out playing a =lot of soccer. But they can easily go out and play a game of cornhole against a 20-year-old. The other reason cornhole has a chance to be the world’s biggest game is because it is very simple ... It’s not a very complex sport. Anybody can play it right out of the gate.”*

This year’s September tournament in Buffalo will be one of the first with players with handicaps and serve as a demonstration for a division that will become a regular fixture of the upcoming season.

*“My goal is to crown the first Adaptive Cornhole World Champion at our ACO World Championships in July 2024,” Geers said. “As we continue our journey to make cornhole one of the world’s greatest and most recognized games and sports, Buffalo is poised to be a leader, and part of an historic year for us, as we break into the adaptive cornhole world. We are very excited to continue to open the sport up to all who would like to play.”*

Let's get this out of the way.

Yes, we have cheese.

What else? A craft beer trail.

Luxury hotels and economy options, too.

Plenty of places to escape the cold.

Supper Clubs and Old Fashioneds are in our DNA.

We also have cows - for steak, naturally.

We pitch plenty more than bags here.

That's why Beloit.

# GULF COAST

## THE SIGHTS (ON THE SOUND) OF THE ACO GULF COAST CLASSIC

Southwest Florida opened its arms this past June to welcome the ACO and cornhole players from all over the Sunshine State to a full weekend of fun, family and free-flying bags for the inaugural ACO Gulf Coast Classic. This first-of-its-kind tournament had everything from multiple venues, live music, cold bevs, Florida showers, bright sun, piles of prize money and, maybe most importantly... afternoon start times.

On Thursday, after a day filled with beaches and the proverbial 'whatnot', players rolled up to The Twisted Fork, in the shadow of Bert's Black Widow Harley-Davidson, for an afternoon and evening

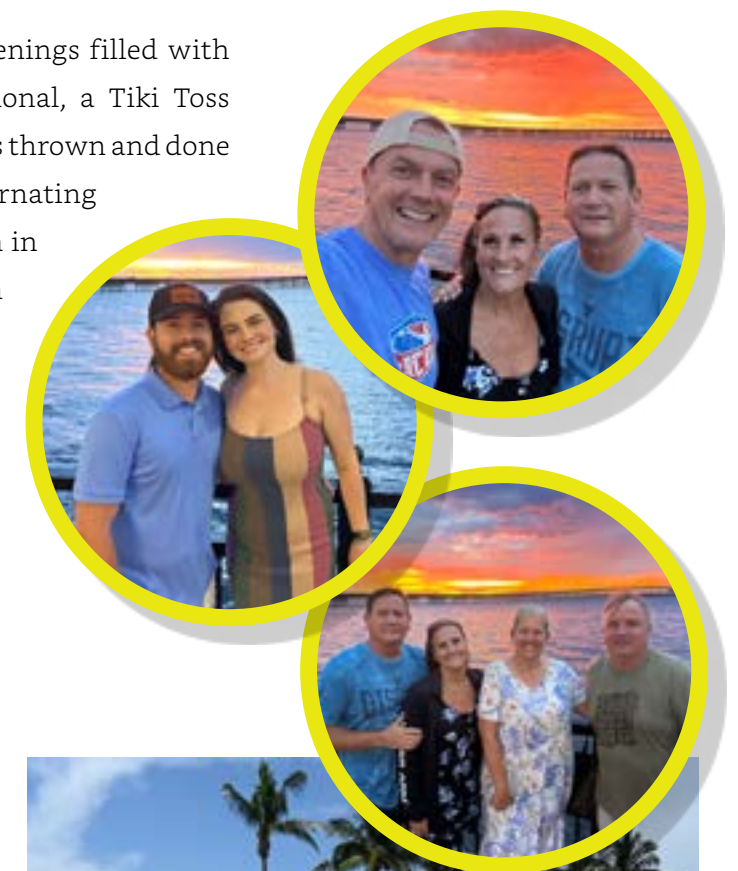

of live music, cold ones and cornhole competition that saw the ACO Battle of the Bags pit their bag-branded teams against one another in a steamy fight to the finish. Team OTT Sheriffs (Thomason, Tabers, Parker and Ferguson) laid down the law against Team Killer B's Cornhole (Fretwell, Thomas, Brewster and Thompson), taking the BoB 21-13 ... and the cash money that went with it.

On Friday and Saturday, the waters lapped up on the south shore of the Peace River as the Four Points Sheraton and TT's Tiki Bar hosted two full afternoons and evenings of outdoor, high stakes, harborside cornhole. After two more full days of sand and surf,

players gathered back together for afternoons and evenings filled with everything from a 'Little Drummer Boy' Pro-Invitational, a Tiki Toss Tournament and The Harborside Shootout. After all was thrown and done it was the King, Craig Ervin and Sebastian Barger alternating their way to the LDB title, forty players grabbing green in the Tiki Toss Switchholio tournament and Steve Hunn and Ryan Love hoisting the Harborside hardware.

**A \$20,000 PURSE WEEKEND CREATED TEN TIMES THAT IN FUN FOR PLAYERS, PARTNERS, AND FAMILIES ALIKE. AS INAUGURAL EVENTS GO, THIS ONE WILL BE LONG REMEMBERED AS THE YEAR WE JOINED WITH PORT CHARLOTTE AND PUNTA GORDA, FLORIDA TO CREATE A TRUE ACO GULF COAST CLASSIC; ONE THAT WILL GROW TO REDEFINE THE TERM 'CLASSIC' IN THE YEARS TO COME.**
